The equitable service percentage listed below is only applicable if the non-public school, after consultation, idicates on the ESEA Non-Public Participation Form that it plans to participate in the Title II, Part A and/or Title IV, Part A program(s).

Equitable services for the Title II and Title IV programs are derived from a "per-pupil" formula. This formula takes into account a school district's total allocation of funds and the percentage of district enrollment at the non-public school. Some non-public schools did not provide the Maine DOE with student enrollment data this year. These non-public schools will not be eligible for equitable services under the Title II or Title IV programs in the 2022-2023 school year.
